ABOUT ME

Creative and versatile graphic designer with over 2 years of experience turning ideas into visuals that connect and inspire. Skilled in Photoshop, Illustrator, InDesign, and Figma, I specialize in designing everything from social media campaigns to print and signage like neon, light box, and backlight. Known for blending creativity with precision, I create designs that not only look great but also deliver real results. Passionate about bringing bold ideas to life and adding unique value to every project I take on.
